

Download the Vestige 2.0

mobile app to order your favourite products and begin your journey to Wellth!

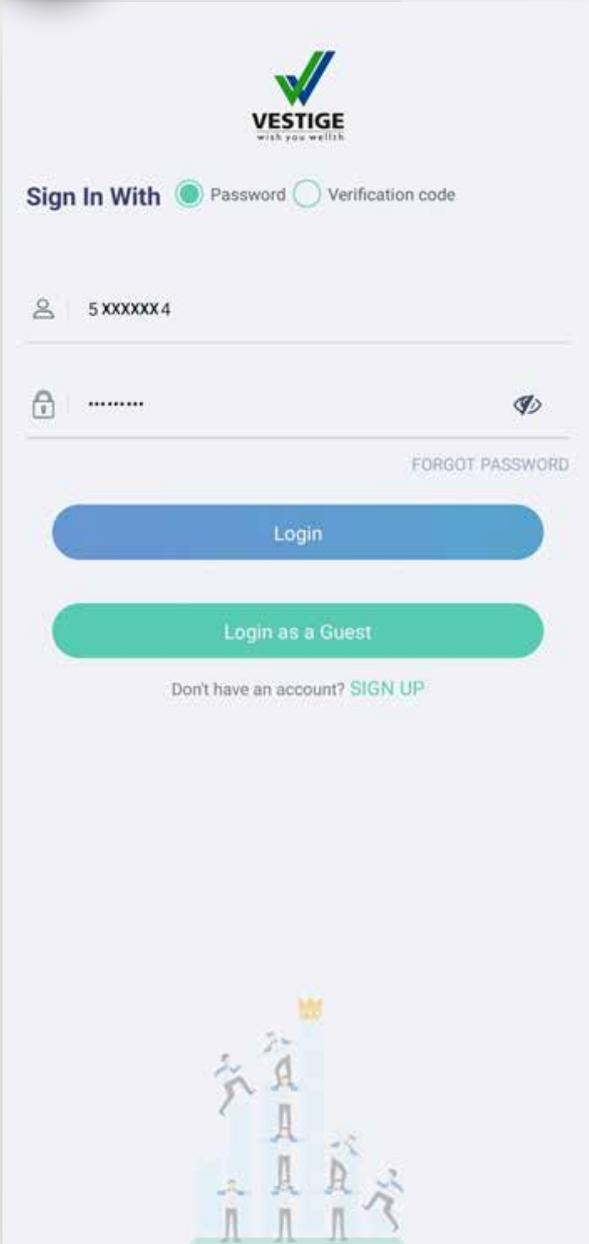

Search for

 myvestige/philippines/

Follow the below-mentioned steps to place and track the order.

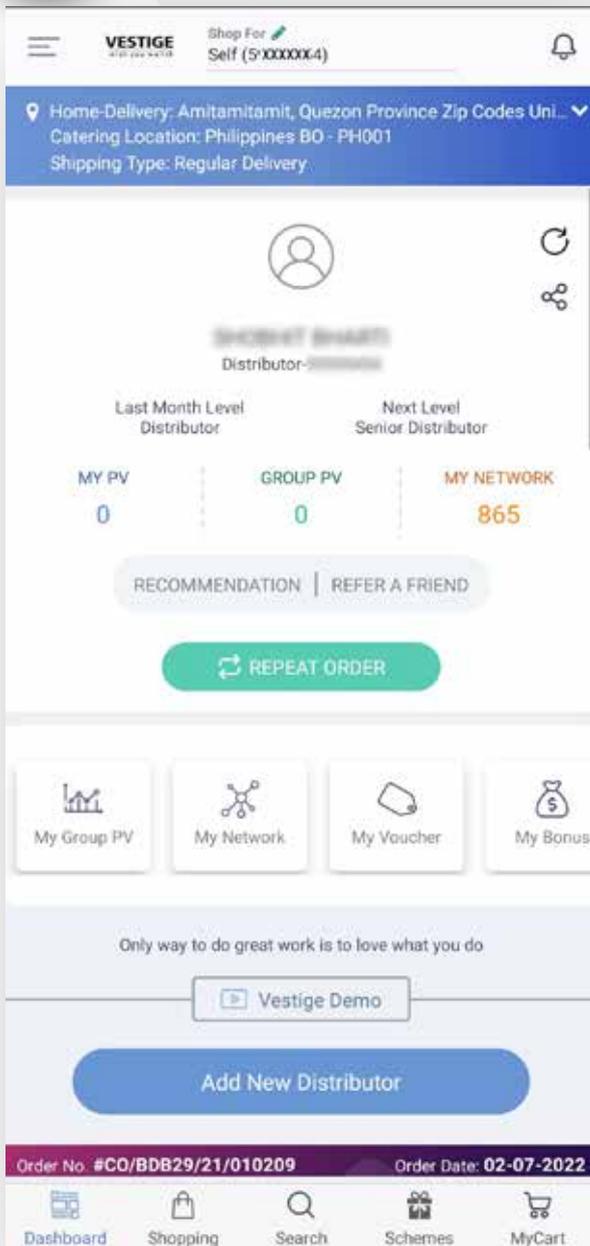

1

The screenshot shows the Vestige app login interface. At the top is the Vestige logo with the tagline 'wish you wealth'. Below it, there are two radio buttons for 'Sign In With': 'Password' (selected) and 'Verification code'. A user ID field contains '5 XXXXXX4'. A password field is masked with dots and has an eye icon to toggle visibility. A 'FORGOT PASSWORD' link is located to the right of the password field. There are two main buttons: a blue 'Login' button and a green 'Login as a Guest' button. At the bottom, there is a link that says 'Don't have an account? SIGN UP'. An illustration at the bottom of the screen depicts several figures climbing a staircase that leads to a crown on top of a tall structure.

- Distributor Clicks on Vestige App icon and lands on login screen
- On the login screen Distributor inputs his/her credentials
- Distributor successfully gets logged in the Vestige App

2

Store Pickup

➤➤ If a Distributor wish to pickup Order from Store then he/she clicks the Store Pickup option

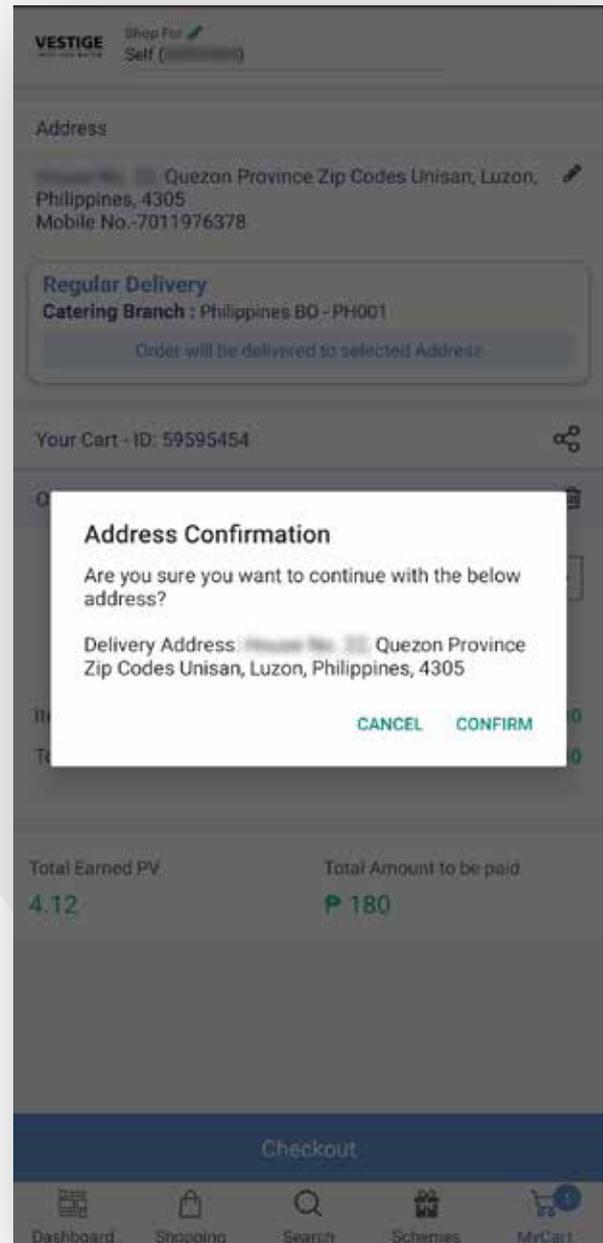

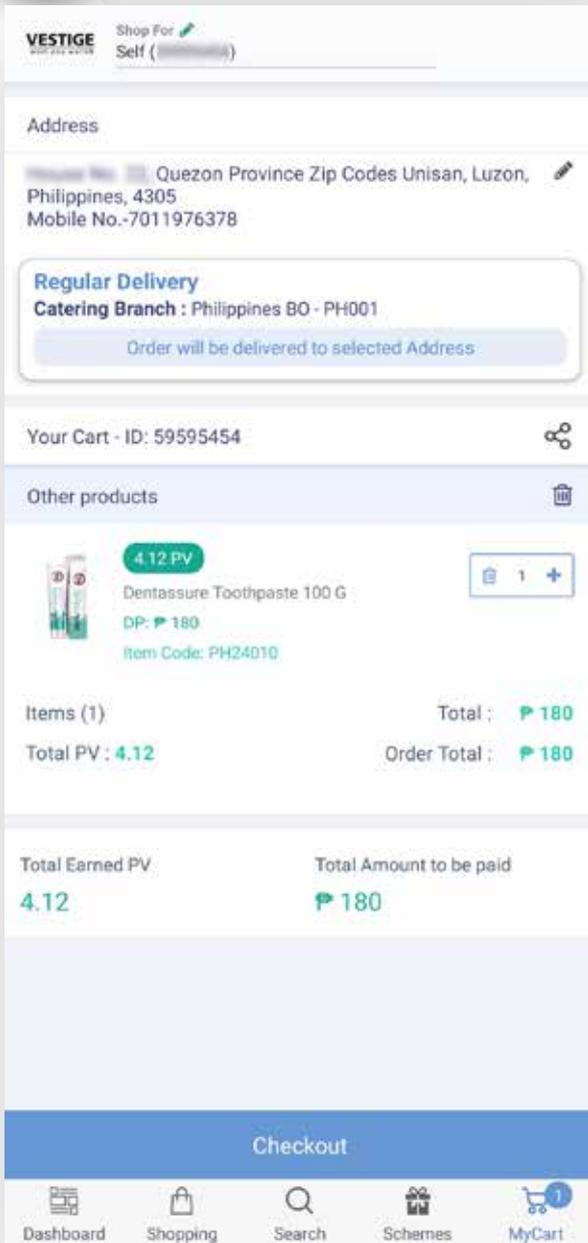

➤➤ Once he/she clicks the Store pickup, the Philippines BO branch gets visible to the Distributor

➤➤ On Selecting the branch option user clicks Continue and lands on dashboard screen to select the products for placing the order

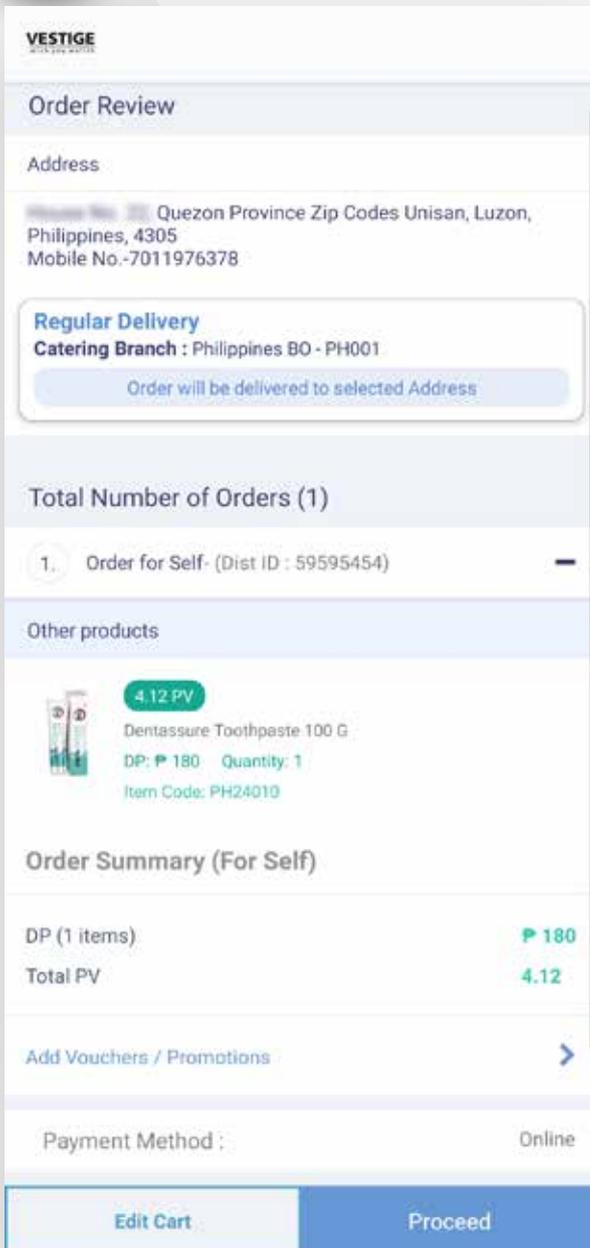

Selecting products for placing order

- On the Dashboard screen Distributor can either click on Shopping option or Search option to select products he/she wish to buy
- Distributor selects the product and adds the item in his/her cart
- Once Distributor finished adding the product in cart he/she can click on MyCart option to visit Cart page

- Distributor can view and check the Item details and clicks on Checkout button.
- Distributor receives a Pop-up message for delivery address confirmation from the Distributor
- Distributor clicks on Confirm option and proceeds.

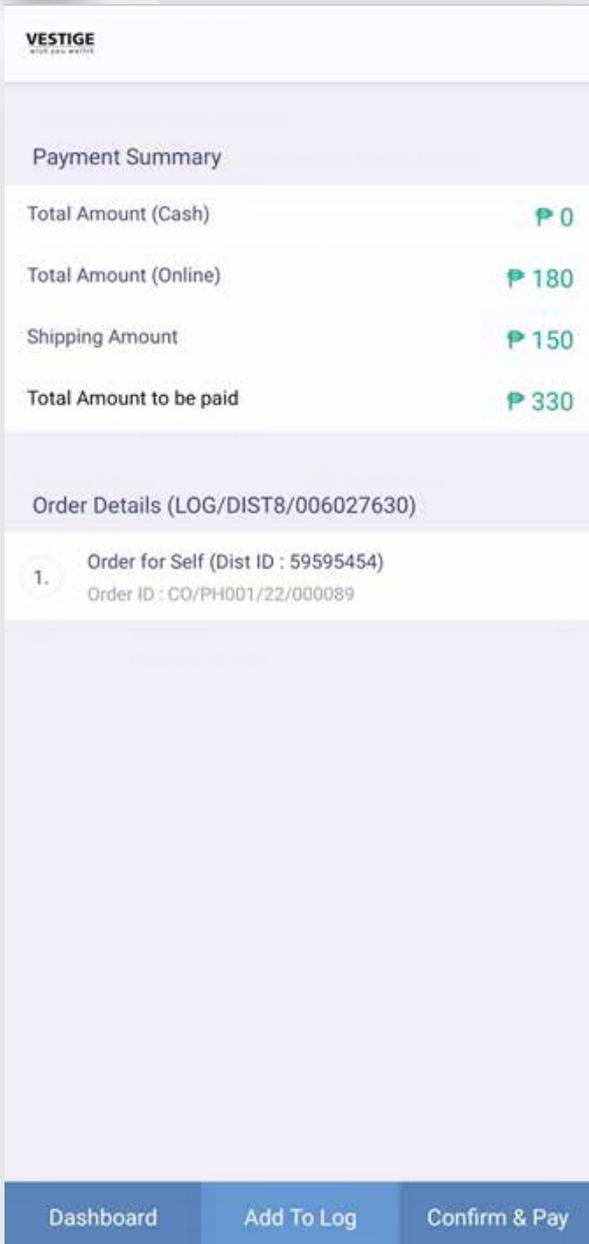

➔➔ Distributor moves to Order review page and can click on Add Vouchers/ Promotions option to apply promotion, vouchers if available any

➔➔ Distributor can click on edit card if he/she wants to edit the item quantity or want to add more products for shopping or to change delivery address.

➔➔ Distributor can verify the PV, Cart Amount, Item Details, Promo items before clicking the Proceed button

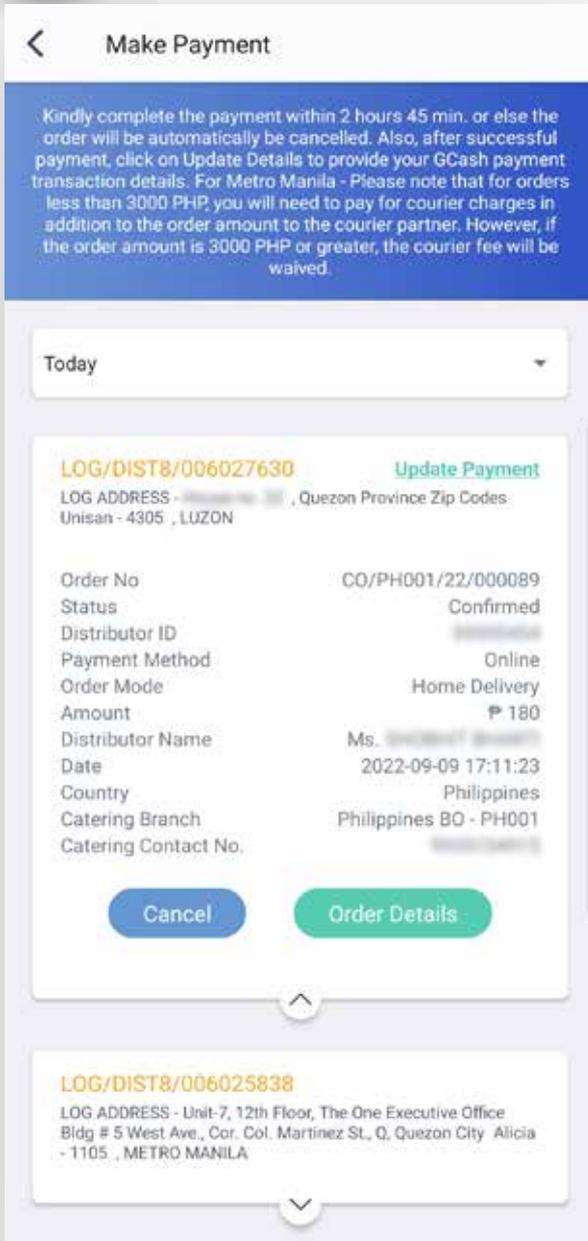

➔➔ On Clicking Proceed button Distributor moves to Payment Summary page.

➔➔ Distributor Moves to Payment Summary screen where he/she clicks on Confirm & Pay option.

➔➔ If there is a mismatch of Payment then User cancel the Order via “Make Payment Screen”

➔➔ On Clicking Confirm & Pay option Distributor lands on Make Payment screen .

➔➔ Distributor makes the Order payment of Amount equal to order amount via GCash application

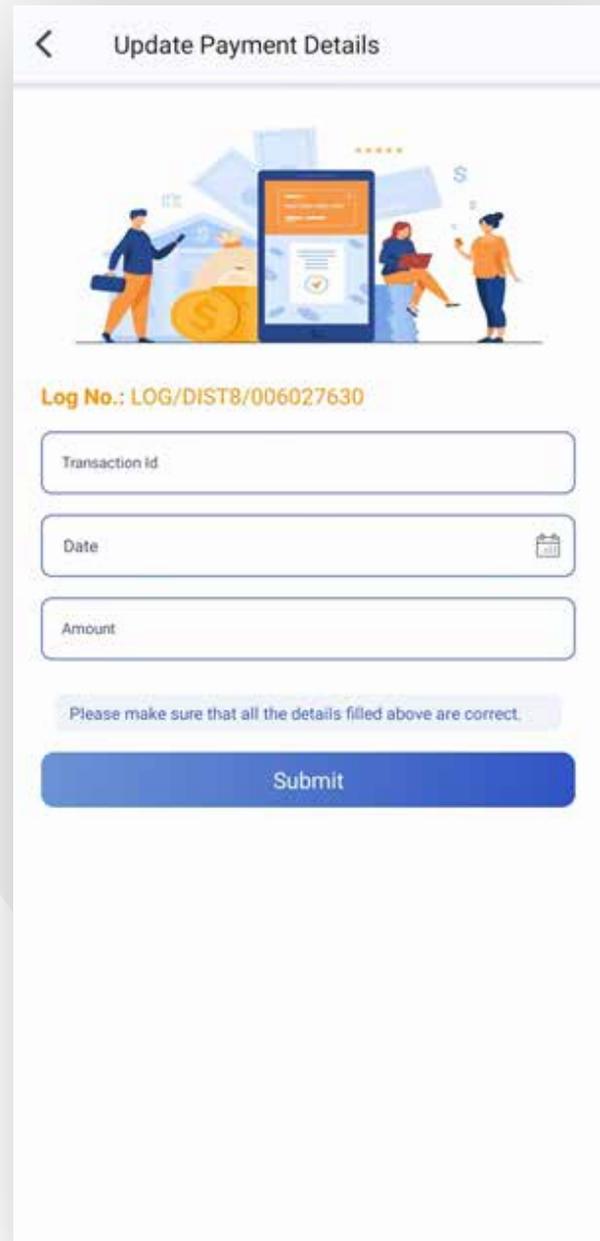

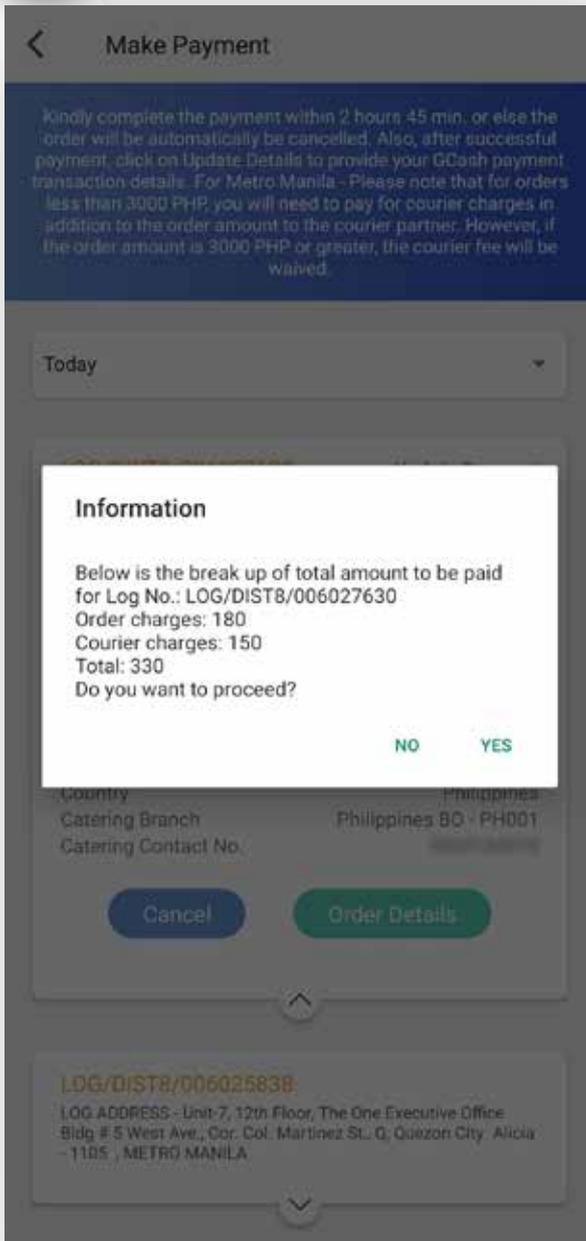

➔➔ After receiving the transaction confirmation of GCash payment, they can submit the details in this app using “Update Payment Link” on the Make Payment Screen

➔➔ Distributor lands on Make Payment page and clicks on Update Payment option to insert the payment transaction details.

➔➔ On the header of the screen disclaimer details are visible for the Distributor information.

Note:

- GCash Payment information with reference no. have to Submit
- After submission of Payment details, Distributor can't cancel the order from App
- Vestige App can't accept any payment
- For Cash Payment (incase of Store Pickup) Distributor has to visit the Branch to deposit Order amount for Invoicing.

- Distributor when Clicks Update payment option a pop-up gets visible to user
- The Pop-up has log details, Order charges, Courier charges etc for information of the Distributor
- Once the Distributor clicks YES option Update Payment details screen(right snapshot) appears for the Distributor for submission of the transaction details.
- Distributor has to very carefully input the transaction id and other details (received after payment from GCash)

- On input of all the details Distributor clicks on Submit button and alert is visible that Details has been submitted successfully.
- If the Distributor inputs incorrect transaction id on Update Payment details screen, then the Log /Order will be cancelled by the Vestige Branch.

Note:

Once the Payment details are submitted the same information is verified by the Branch and they will invoice the Order from their end. PV/BV related to Orders will be credited within a time period to Distributor post this Invoicing process.
